Participants in the Gardening Program with Brown County Parks and Recreation hereby agree to the following rules:

- 1.) BCPR and/or its appointed representatives will assign plots. Current gardeners have priority in retaining their existing plots.
- 2.) Plots must be cleared of all trash, cages, etc. by Oct. 25th to be eligible for renewal unless you will have winter crops. If so, please notify the office.
- 3.) Gardeners must consistently maintain their plot(s) throughout the garden season, such as weeding, watering, harvesting ripe produce and removing all dead or diseased plants. Gardeners must plan for someone to weed, water and harvest in their absence. Walkways between plots must be maintained by plot renters.
- 4.) Pathways must be kept clear of overgrowing plants, gardening supplies and equipment.
- 5.) Equipment may be stored in your own plot(s). Items will need to be stored in a way that does not collect water to provide a habitat for mosquitoes.
- 6.) A water spigot will be available on site. When using hoses, gardener will make sure there is no damage done to other plots. Please remove nozzle after watering.
- 7.) Gardeners will remove any trash they generate including empty plant pots and trays from the garden area.
- 8.) Pets must always be leashed within the garden area.
- 9.) Report vandalism, theft or suspicious behavior to staff immediately. **BCPR is not responsible for any damage or theft of produce or personal belongings.** *Gates must be kept closed while attending plots and locked upon leaving.
****If you can no longer tend your plot, notify us. PLEASE DO NOT ABANDON PLOT.**
