Participants in the Gardening Program with Brown County Parks and Recreation hereby agree to the following rules:

- 1.) BCPR and/or its appointed representatives will assign plots. Current gardeners have priority in retaining their existing plots.
- 2.) Gardeners must consistently maintain their plot(s) throughout the garden season, such as weeding, watering, harvesting ripe produce and removing all dead or diseased plants. Gardeners must plan for someone to weed, water and harvest in their absence. Walkways between plots must be maintained by plot renters. NO herbicide shall be applied by gardeners.
- 3.) Pathways must be kept clear of overgrowing plants, gardening supplies and equipment.
- 4.) Equipment may be stored in your own plot(s). Items will need to be stored in a way that does not collect water to provide a habitat for mosquitoes.
- 5.) A water hydrant will be available on site. When using hoses, gardener will make sure there is no damage done to other plots. Please remove nozzle after watering.
- 6.) Gardeners will remove any trash they generate including empty plant pots and trays from the garden area.
- 7.) Plots must be cleared of all trash, cages, etc. by Oct. 31st to be eligible for renewal unless you will have winter crops. If so, please notify the office.
- 8.) Pets are NOT allowed inside the garden area.
- 9.) Report vandalism, theft, or suspicious behavior to staff immediately. BCPR is not responsible for any damage or theft of produce or personal belongings. *Gates must be kept closed while attending plots and locked upon leaving.
- 10.) ****If you can no longer tend your plot, notify us. PLEASE DO NOT ABANDDON PLOT.**
